The Choral Music Program of Santa Monica High School, under the direction of Jeffe Huls, is one of the most accomplished in the region, winning awards, competing in state and national vocal music competitions, and touring nationally and internationally. Our repertoire is grounded in classical music education, but also includes popular and contemporary music. Visit our website, talk to our current choral music students, and attend our concerts so you can see for yourself how inspiring—and fun—it is to be a part of the Samohi choral music community.
